## EXPERIENCE

---

### RESEARCH MENTOR AT UNIVERSITY OF TEXAS

December 2018 – August 2019

Working with students on various science research projects in the field of synthetic biology. Mentors are also in charge of maintaining the lab (keeping it clean, restocking equipment, making reagents and solutions), helping with grading, and making protocols. Prior to working as a mentor in this lab, I conducted research with the lab for two semesters.

Research Educator: Dennis Mishler, Ph.D.

Primary Investigator: Jeffrey Barrick, Ph.D.

### TUTOR AT COLLEGE NANNIES SITTERS AND TUTORS

August 2019 – November 2019

Working with high school students on various subjects including SAT/ACT prep, science, math, Spanish, and studying skills.

---

## EDUCATION

---

### BSA BIOLOGY WITH HEALTH COMMUNICATION MINOR

University of Texas at Austin

Fourth-year student pursuing a career in medicine.

### INTERNATIONAL BACCALAUREATE DIPLOMA

Allen High School

Participated in the International Baccalaureate program at my high school. IB provides a rigorous curriculum that promotes higher level thinking, awareness of cultural differences, and expression of personal thought.

---

## VOLUNTEER EXPERIENCE

---

### HABITAT FOR HUMANITY AUSTIN

January 2018 to Present

Work on build sites and raise money for the organization in monthly fundraisers.

### SETON MEDICAL CENTER OF AUSTIN

August 2018 to Present

Perform a multitude of duties that include delivering patient files, walking patients/families to their rooms, or restocking.

### ALLEN COMMUNITY OUTREACH

Between semesters August 2017 to Present

Work at the ACO resale shop, helping to unload and take in donations.

### AUSTIN STATE HOSPITAL

August 2018 to May 2019

Provided support in Children's unit by playing fun-games (Simon says, Jenga, etc.) with the kids.

---

## ACTIVITIES AND ORGANIZATIONS

---

### **HABITAT FOR HUMANITY**

August 2018 – Present

Active in Habitat for Humanity through attendance of biweekly meetings and participation in monthly fundraisers put on for Habitat. I assist on 2-3 build days per semester. Build days are 8 hour workdays on a Saturday where we build houses from foundation to completion.

### **AMERICAN MEDICAL STUDENT ASSOCIATION**

August 2018 – Present

AMSA is a pre-med organization on campus that provides me opportunities to volunteer, learn about medical professions, socialize with other pre-med students and to prepare for medical school.

### **UT RACQUETBALL CLUB**

January 2018 – Present

UT Racquetball club is a club for people who want to practice with each other and compete against other colleges at competitions across Texas.

### **TEXAS INFINITES SPIRIT GROUP**

August 2019 – Present

Texas Infinites is a diverse coed group of students who value spirit, community, and service.

---

## AWARDS

---

### **2019 SECOND YEAR EXCELLENCE AWARD**

February 2019

Nominated by Dr. Janice Fischer for my academic performance and received the award from the Dean of Natural Sciences, Dr. Paul Goldbart.

### **DISTINGUISHED COLLEGE SCHOLAR**

March 2019

Named Distinguished College Scholar for being in the top 4% of my class.

### **DISTINGUISHED COLLEGE SCHOLAR**

March 2020

Named Distinguished College Scholar for being in the top 4% of my class.

### **EAGLE SCOUT**

July 2013

Developed character through several years of immersed leadership and thousands of community service hours. I am one of the 4% to achieve this rank in the Boy Scouts of America.
